

**Q: How do I view my ENTIRE Previous Statement?**

A: First you have to access the 'Transaction Activity' of the account you want to view.

There are 2 ways you can access your account information.

1. Indicated in **RED**, you can scroll down to the 'Deposits' or 'Loans' portions and click on the account number link of the account you would like to access.
2. Indicated in **BLUE** you can use the 'Accounts' link located in the left side margin. By hovering over the 'Accounts' link a window will appear showing all your account numbers.

The screenshot shows the First Federal Lakewood website. At the top left is the logo with the tagline "We've Been Here. We'll Be Here."
